NCCP / Coaching

The NCCP

The National Coaching Certification Program is a coach training and certification program for 66 different sports and is offered in both official languages across Canada.

NCCP workshops are designed to meet the needs of all types of coaches, from the first-time coach to the head coach of a national team. The NCCP is the recognized national standard for coach training and certification in Canada. As part of the program, all coaches are trained in ethical decision-making and sport safety.
