Regrets: Bob Leard (Montague), Jerry Muzika (Hall of Fame), Cliff Poirier (official)

2. Approval of Minutes of Previous Meetings

The minutes from the last General meeting on Dec. 6 were approved as read, subject to the following amendments:

Correct helmet item to read that clubs are to look into it.

And that Amy is to check into insurance.

Correct 2013 stick item to read that Rod wasn't aware of the event, not that it wasn't confirmed.

Paul Moved and Rod MacDonald seconded approval of the minutes. Motion carried.

Approval of Agenda

The agenda was approved. No new items were added.

3. Business Arising

a) Rules of Play: Rod MacDonald and others are reviewing the rules of play. Among other things, they want to have the same rules for men and women. They plan to present the revised rules at the spring AGM.

b) Junior Curling.

A decision on whether or not we need a junior curling coordinator was deferred until the job description can be revised.

Amy reported that the work between Gayle and the clubs is at the grass roots level, but there is no consistency in non-competitive curling programs among the seven member clubs. Gayle said that she is more than happy to work with the club coordinators.

Shirley pointed out that we have a committee, comprised of Audrey, Roddie MacLean and Gayle, who are to come up with a job description, and that they should meet as soon as possible.

Amy mentioned that she has sent out a package of available resources to each club, including Rocks and Rings info, a Long Term Athlete Development flyer, and a list of resources available at the PEICA/SportPEI office.

c) Helmet Policy

Insurance: Club Insurance policies Does not require helmets or a helmet policy. Alberton has recently passed a new helmet policy to apply to ages 12 and under.

Cornwall: Paul will know the status of helmets after the Board meets on Sunday.

Maple Leaf: Glen reported that only a few would wear them.

Charlottetown: Eddie said that he doesn't think they have one. Gayle thinks it is mandatory for Little Rocks, and maybe up to age 10 at the Charlottetown.

It was decided to revise the PEICA helmet policy to change to a guideline, and change "required" to "encouraged" .

Rod moved that we change "required" to "encouraged". Susan seconded it. Motion carried.

4. Correspondence

An email was received to let us know that Credit Union Place in Summerside is in talks for a Grand Slam event in April 2012.

5. New Business

a. CCA Presidents Call

i. CAP – Curling Assistance Program. (details in attachments)

The CCA have noted that there is a considerable amount of money (around \$249,000) in this fund, designed to help out curling clubs. Clubs are to be made aware of the fund.

ii. Proposed Olympic Qualification Process (details in attachment)

Information was handed out on this.

b. Events (report attached)

Lucie reported that her first event, the Juniors, went well. She stayed around the event for three days. She reported that the parents were happy, the weather was awful, and the buffet style banquet was nice. The Lions Club served Nachos, chili, wings, and Pepsi Bottling group donated Pepsi, G2 (Gatorade), and water, along with \$2400 sponsorship and hoodies. Due to a weather-related schedule change, many of the dignitaries were not able to attend.

They have to retake the pictures for the nationals, as a neutral background is required.

On upcoming events, she reported that four events will be happening in short succession, with some overlap: Scotties, Tankard, 17 and Under, Stick (not her responsibility). She reported that hospitality budgets are tight (\$5 per player), as the minimum order at some clubs is more than the allotted per person budget.

Rod reported that they should be able to get soup and sandwiches at the Fox for \$4 for the Tankard, and that the event does not have a banquet.

Rod reported that the entry dates for the Tankard should have been earlier. This appears to have been an oversight on the sites and dates, and should be noted for next year. She noted that she is meeting with KFC this week, and that Shirley will look after The Dominion event. Marco Polo Land are sponsoring the Masters.

Other events: Future Scotties. It was decided to cancel for this year, as only one entry was received. It was noted that some people believed that entering it would eliminate them from The Dominion, but this is not the case. It was decided to leave it in for next year. Amy suggested that it be advertised at The Dominion.

Scotties and 17 and Under Draws – to be done following the meeting.

c. Future meetings

Amy requested that everyone email in reports one week prior to meetings.

We also should get new motions in advance of the meeting, so that clubs can get approval from their Board.

6. Reports (see detailed reports attached)

President: Shirley was at Montague to help Lucie with setup, and to attend the final, and she and Lucie met with Cornwall on the Scotties. Working on the event rotation.

Secretary/Webmaster

Very busy with websites and online entries. One slowdown in the entry system experienced, but fixed.

Treasurer:

Susan reported that she will get last year's and this year's Scotties money soon, and that Labatts is still outstanding. Financial statements are attached. Still looking for some of the club fees – Maple Leaf (numbers received but, no cheque), Western and Cornwall only ones to send them in.

Players Committee:

Rod MacDonald reported that the Tankard will be a triple knockout on one weekend., from Thursday to Tuesday.

All teams are happy with the Scotties draw. Two unseeded team names are to be drawn after the meeting. As reported previously, revised rules of play will be going to the AGM for approval.

Rotation Committee:

Has not met, but Shirley has been doing some work on it.

Clubs:

Montague has missed two meetings in a row.

Action: Shirley to make a call to them.

Charlottetown: Eddie reported that rentals are down, but everything else is on par with last year.

Cornwall: Paul reported that Scotties preparations are going well, coordinated by Ruth Stavert. Things are in good shape at the club. The Board has not met recently, but are meeting on Sunday.

Crapaud: Kim reported that the wheelchair event is going this weekend, and a number of spiels are getting underway in subsequent weeks.

Silver Fox: Things are going “fairly well:. Thursday night ladies is down quite a bit. Even offering free memberships didn’t work.

Maple Leaf: Glen reported that they have a few spiels coming up. Flyers were sent out to help increasemembership.

Western: Roger reported that a number of spiels are coming up, and that members are back for the 2nd half of the season.

d. Other Groups

Hall of Fame – no report

Curl Atlantic – Dave reported that a meeting took place last night. There are three new board members. Trish Tiller is the new webmaster. Helen Radford is the Executive Director.

Rocks & Rings: Stefanie Clarke has been hired as the PEI Coordinators, but coordinators have not yet been hired in the other provinces, so it may not start until next school year.

Atlantic university curling: there is much confusion on this, as there are no standards local or national. More discussions are needed with university Athletic Directors. 8 teams are entered in the Atlantic championships, including Sarah Fullerto from PEI, and nobody from NB.

Whitecap Curling Camp is still in Halifax for two more years (2012). Helen Radford is meeting with Donna Butler on PEI this weekend, to discuss hosting it here (APM Centre) in the future. Curling Beausejour in Moncton have submitted a tender.

Joyce Meyers Legacy Fund – info will be coming out at end of month for next year funds. Dave reported that an Atlantic training competition of men's and women's winner will take place in late September in Sackville to get familiar with arena ice. Atlantic winners would win a prize to go to a bonspiel in Europe or elsewhere at CCA expense.

e. Staff

Technical Director.

An electronic copy of her report has not been received.

The wheelchair event takes place this weekend in Crapaud.

Mental Trainer Dr. Laura Farres, will be there, along with two time Paralympic gold medallist Sonja Gaudet. CBC (Steve Bruce) will be there tomorrow. A story written by Nick Murray of Sport PEI will be in the Guardian on Wednesday.

The event has attract one curler from NB, and 4 from PEI, along with teams from NS and NL. They are planning to have Vision Impaired and Wheelchair curling showcased at the Scotties. A Scotties ticket package was sent to all clubs.

Event Coordinator:

Covered previously in Event Report.

Executive Director (see attached report)

Highlight: She attended the December 14 Executive Directors conference call.

Transgender policy is big. In BC a former male, now a woman signed up for Scotties, and was allowed to compete in BC. The CCA must decide if this person is allowed to compete nationally. The WCF passed a policy to go by the Olympics policy – can compete 2 years after surgery. By this policy this person would not compete.

Sport PEI nominations – the Junior nominee must be 18 as of Jan 1 2011. Ours were the wrong age, so new nominees are needed.

She is looking for facts on Rod MacDonald, the O'Rourke team. It was suggested that Al Ledgerwood could help.

Marion Dockendorf award: no nominees were received, but a deserving person will be nominated by the PEICA.

7. Other business:

A and B pools for national events.

Rod MacDonald brought up recent columns which have appeared mentioning the possibility of having A and B pools for big events, starting with the Mixed, and then

possibly moving on to the Seniors and other events. Under this scheme, large provinces such as Alberta may have more than one entry, and small provinces may not be in the national event, destroying the concept of provincial representation. Shirley said that it was never discussed at the National Curling Congress or a presidential conference call.

8. Adjournment/Next Meeting

Meeting adjourned at 8:30 pm.

Next meeting was subsequently set for February 7 at 5:30 pm at the Silver Fox.

Comments/Recommendations:

The Pepsi Juniors was a great learning experience for me; I learned the game of curling, time keeping and what it takes to make a tournament work.

My suggestion is to re visit the days in which the tournament takes place to accommodate the student players so they do not miss school after the holidays.

I was able to accommodate the tournament with a banquet with the budget at \$6.00 per player this is bare minimum, consider for next year where the tournament is being played and their arrangements with food services. I will also recommend to the sponsor Pepsi to continue supplying product for banquet in form of G2 and Aquafina and Diet Pepsi as these were the most popular. I will also suggest that players receive kit bags in lieu of Hoodies as most players preferred kit bags and found them useful in travelling.

Overall the players showed the upmost in sportsmanship, played hard and were truly a pleasure to see play.

Please do not hesitate to contact me if you need further information.

4. In consultation with the Member Associations, the CCA shall direct the specific development purpose(s) or area(s) of influence for the program in each program year.
5. As a component of the application process, the Member Association having jurisdiction of the applicant curling club shall confirm knowledge or receipt of the application and that the applicant is a member club in good standing with the Member Association.
6. The program will be awarded annually subject to the approval of the CCA Board.
7. All successful affiliated curling club applicants must wait a minimum of 3 years before reapplying for funding under the program.
8. Applications must demonstrate a viable Business and Action plan with respect to their application.
9. Applications shall not be fully funded by the program, however, in exceptional circumstances, the CCA may, in its discretion, approve full funding.
10. For each program year, the CCA Board of Governors shall authorize the total amount available to be allocated to the program.

5. For the 2014 Olympic Games, the host (Russia) receives automatic qualification.
