

CURL ATLANTIC – JOYCE MEYERS TRUST FUND

Capital Works Grant

Criteria

The Trustees of the Joyce Myers Trust Fund created the **Capital Acquisition Grants** as a means to assist member curling clubs within Atlantic Canada with capital projects.

Expenses that are of a special and/or extraordinary nature will be eligible for funding. In other words, programs and initiatives that are both unusual and occur infrequently; they are not part of the regular, day-to-day operation of the club. Listed below are a few possibilities:

- The repair, replacement, purchase or construction of a curling facility or part of a curling facility. For example, the repair or replacement of a curling club roof;
- The repair, replacement or purchase of a plant asset or piece of equipment. For example, the repair or replacement of ice making equipment.
- The purchase of special curling equipment. For example, the purchase of little rocks for a junior curling program;
- Exempt from funding are any expenses of an operational nature. For example, membership dues, utility and tax bills do not qualify.

Curling clubs that are members of Curl Atlantic through their affiliation with their Provincial Association are eligible to apply. The application consists of a letter, prepared on club letterhead, which outlines the non-operational, special projects being undertaken by the club for which funds are required. Total expenses and a brief description of the planned projects should be provided. Please complete the following application and forward to the Executive Director of Curl Atlantic, Leslie Anne Walsh (curlatlantic2001@gmail.com), by **May 30th, 2010**.
