Correspondence	<ul> <li>Allan Inman (re: Dominion) – The same rotation is always used which means PEI has the bye every year. Curl PEI will draft a letter asking that the rotation be changed.</li> </ul>
	<ul> <li>Dianne MacKay (re: Maritime Masters) – Request that Curl</li> </ul>
	PEI approach the other Atlantic provinces requesting to have a
	set date. It was noted that this was discussed at the Maritime
	Committee and a motion was passed that the host committee
1	chose the date of this event.
	o Tammy Dewar (re: Event dates) – Request to start events on
D <sub>v</sub> .	Friday vs. Thursday.
Business	o Amy circulated the Calendar of Events to be reviewed for
Arising	errors. Discussion re: Masters being held on week vs. weekend.
]	<ul> <li>ASFP Funding: Due April 15<sup>th</sup>. Amy reviewed goals and</li> </ul>
]	funding requests. George noted that once we know our funding
]	we will plan how we deliver programs for the upcoming
]	season. Kevin Smith asked about the Tech. Director position.
	George reported that as of March 1/13 there has been no
]	funding for the Executive Director and the Technical Director
]	and both staff members were given notice in February. The
]	Executive made the decision to keep the Executive Director on
	to carry us over to submit the funding request. Kevin noted
	that when the Junior Coordinator was eliminated a few years
	ago that the Jr. program suffered and stressed the importance of
	the Tech. Dir. Position. Cliff Poirier asked if other provinces
	have received the same funding model and if the CCA was aware. Amy noted that the CCA is willing to help with
	resources, but not with funding.
New Business	AGM Date: Policy dictates the meeting be held before May
