

CURL PEI Code of Ethics

To ensure that all curlers are aware of their responsibilities when playing the game, the Canadian Curling Association has adopted the following Code of Ethics as an official supplement to the Rules of Curling:

Curlers' Code of Ethics

- I will play the game with a spirit of good sportsmanship.
- I will conduct myself in an honourable manner both on and off the ice.
- I will never knowingly break a rule, but if I do, I will divulge the breach.
- I will take no action that could be interpreted as an attempt to intimidate or demean my opponents, teammates or umpires.
- I will interpret the rules in an impartial manner, always keeping in mind that the purpose of the rules is to ensure that the game is played in an orderly and fair manner.
- I will humbly accept any penalty that the governing body at any level of curling deems appropriate, if I am found in violation of the Code of Ethics or rules of the game.

Coaching Code of Ethics

- The coach shall act with integrity in performing all duties owed to athletes, the sport, other members of the coaching profession and the public.
- The coach shall strive to be well prepared and current in order that all duties in their discipline are fulfilled with competence.
- The coach shall act in the best interest of the athlete's development as a whole person.
- The coach shall accept both the letter and the spirit of the rules that define and govern the sport.
- The coach shall accept the role of umpires in providing judgment to ensure that competitions are conducted fairly and in accordance with the established rules.
- The coach's conduct toward other coaches shall be characterized by courtesy, good faith and respect.
- The coach shall maintain the highest standards of personal conduct and support the principles of Fair Play.

Fair Play

- Fair Play begins with the strict observance of the written rule; however, in most cases, Fair Play involves something more than even unflinching observance of the written rule. The observance of the spirit of the rules, whether written or unwritten, is important.
- Fair Play results from measuring up to one's own moral standards while engaged in competition.
- Fair Play is consistent demonstration of respect for teammates and opponents, whether they are winning or losing.
- Fair Play is consistent demonstration of respect for umpires, an acceptance of their decisions and a steadfast spirit of collaboration with them.
- Sportsmanlike behaviour should be demonstrated both on and off the ice. This includes modesty in victory and composure in defeat.

 - c. If four teams tie, there will be two semi-finals. We would use the records against the four teams, plus the skill based team ranking e.g. if you had two teams at 2-1 and two teams at 1-2 (these are records against the other teams in the tie), we would then use the skill based team ranking to determine 1st and 2nd of the two teams at 2-1 and also 3rd and 4th of the two teams at 1-2.
 - d. If five way tie - same as four way tie, with the team with best record and then least accumulated distance going to the finals and two semi-finals. Skill Based Team Ranking Process

Each individual's rock that can be measured shall be measured (in centimeters) to determine its distance from the tee up to a distance of 6 feet (182.9cm) and then shall be removed from play. Stones that cannot be measured due to their close proximity to the tee shall be assigned a distance of 0. Stones that are located outside the 6 foot perimeter shall be assigned a distance of 185.4 cm. The team's accumulated total distance from the tee shall determine their ranking. The least accumulated distance shall receive the highest ranking and so on until ranking is completed.
