

Curl PEI Newsletter

October 5, 2011

Membership Information

This year the Canadian Curling Association, Provincial Government & PEI Curling Association is requiring new information all participants in curling clubs on PEI. Each club has been asked to gather and submit the following information:

- The delineation of participants by gender in categories of athletes, coaches, officials and other
- Official language of choice
- Proof of residency (postal code)

CCA has defined 'participant' as any individual who is participating in any regularly scheduled curling activity at an affiliated curling centre.

This information is important for Curl PEI to have on file for such things as insurance and funding applications.

Congratulations!

KidSport Information

KidSport™ PEI helps ensure that all children across Prince Edward Island have the opportunity to participate in organized sport by removing financial barriers that might limit or prevent participation. Since its inception in 1997, over **4400 Island children** have received KidSport grants to cover the cost of sport registration fees. With the number of applicants and sports, we need to ensure that the process is as easy as possible and all parties understand it.

If someone in your club is looking to receive KidSport funding please encourage them to visit the Sport PEI website. If you are not familiar with how KidSport works please visit www.peicurling.com under documents.

Quick News!

- Rocks & Rings will be offered to Island schools and youth groups this year... please stand by for more info.
- The Cornwall Curling Club will be hosting the 2012 Atlantic University Championship January 13-15.
- The City of Summerside will be hosting the 2012 Grey Power Players' Championship Grand Slam event in April.
