

## Accident Insurance

Through Sport PEI, Curl PEI has purchased an accident insurance policy with BFL Canada Inc. This policy covers all participants, coaches, officials and volunteers who have paid the \$15.00 PEICA fee with their club membership. The policy covers those mentioned above who are injured on the field of play at a Curl PEI sanctioned event (this includes club leagues).

For more information on the policy contact the Curl PEI office.

For more information on the procedure for processing claims please visit the Curl PEI website and look under *documents*.

## Curling Assistance Program

The Canadian Curling Association (CCA) has allocated funds from certain championship events for the purpose of providing financial assistance to the membership of the CCA including Provincial Member Associations and affiliated curling facilities.

This funding is known as the Curling Assistance Program (CAP) and is delivered as a grant program.

CAP will target projects designed to grow the sport at the community level or to assist capital projects critical to the operation and health of the CCA's membership.

More information about the program and forms can be found on the Curl PEI website, [www.peicurling.com](http://www.peicurling.com). The due date for applications is January 13, 2012.
