

CURLING CLUB ELIGIBILITY FOR 2025 NATIONAL CHAMPIONSHIP

Goal: All curling clubs will respect the intent of the spirit of the Curling Club Championships by engaging their members to participate and to represent their curling club in any process leading to the provincial / territorial championships and ultimately, leading to the Canadian Curling Club Championships.

Eligibility requirements for events leading to the national Curling Club Championship. Curling Canada reserves the right to exclude any team that violates the spirit and intent of the event as it pertains to the rules below:

- Participating curling clubs must be affiliated with its Provincial / Territorial Curling Association.
- They must be in good standing with all applicable dues to the Association paid in full.

Minimum Requirements for Team Composition:

A. A team must register for the first stage of the competition with minimum 4 curlers.

B. All team members must be an affiliated member of their Provincial / Territorial Curling Association and registered member of the **same curling club**, paying a full league fee and playing regularly in a league. These qualifications may be verified by Provincial / Territorial Curling Association. It is the responsibility of the home club to provide an accurate verification if requested by Provincial / Territorial Curling Association. Clarity regarding definition of “league” can be received from each Provincial / Territorial Association

C. Players now **WILL NOT** be required to curl on the same team unless outlined as required by the Member Association.

Additional Rules:

All four (4) competitors and any 5th or spare player must be bona fide residents within the geographical area of the Member Association they are intending to represent (unless granted an exception by the Member Association).

A competitor can participate for only one affiliated curling club in one season. If you lose out while playing for one club, you cannot then play for another club unless the Member Association accepts the competitor as an 5th player or spare player.

Each Member Association reserves the right to determine the number of teams qualifying from each club.

The use of the delivery stick by any competitor (and any 5th player or spare) is acceptable.

Any 5th player costs will be the responsibility of the team.

Once a four-person team enters the club championships playdowns, a maximum of one (1) spare from the club is allowed at any level of competition. A team can use an eligible spare for any game played assuming the spare is eligible. A spare may be a different player each game.

A team with a registered 5th player **may not** add a spare or replacement player.

Competitive Athlete Exemption:

Each four-person team is allowed to have one (1) player who, during the previous three (3) curling seasons, that has participated in the following events, Canadian Championships or any provincial / territorial event leading to these events:

- Canadian U-20 Four-Person
- Canadian Colleges Association Curling Championships
- Canadian USPORTS Curling Championships
- Canadian Mixed Doubles National Championships
- Canadian Mixed Doubles Curling Trials
- Tournament of Hearts
- Brier
- Canadian Curling Pre-Trials
- Canadian Curling Trials
- The Grand Slam of Curling Tier 1 or Tier 2
- Pan-Continental Curling Championships

Definition of the curling seasons is defined as follows:

- Canadian Championship to be competed November 2025
- The events noted above include the previous three (3) seasons being 2023-2024, 2022-2023, 2021-2022
- Competitive seasons defined as August 1 to July 31

Note: any player can have played in any of these events from 2020-2021 and further back in time (regardless of finish) and not affect their eligibility for the Curling Club Championships.

Threshold: Therefore, if you are not the 'one' player using the competitive athlete exemption, you and/or the other three players and any 5th players and any spares may have competed in any provincial / territorial championship and still be allowed to play in the Curling Club Championships, as long as you don't match or surpass the thresholds set by your province (see chart below).
